Royal Belize: 7.5 acre exclusive-use private island off the coast of Dangriga, Belize.

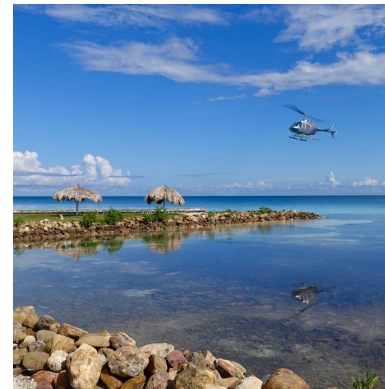

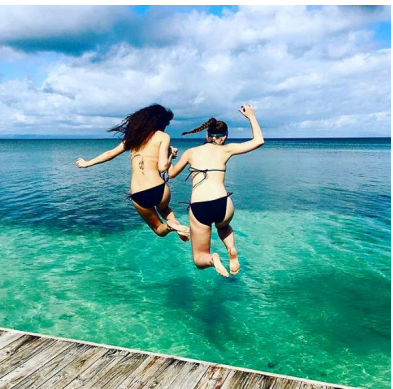

# ROYAL Belize

Cross the threshold to a world free from constraints where imagination flows with creativity. Vacation on our exclusive private island in one of the globe's most impressive destinations.

We invite you to explore this 7.5-acre private island off the coast of Belize. Indulge in luxury service, amenities and accommodations. Royal Belize is only offered to one guest party at a time, so you are guaranteed to have our full attention. The island offers five luxury suites in three separate houses as well as a bunkhouse with six beds.

A true all-inclusive resort where there are no worries or stress. All food and beverage is included and served to you by our full-time staff. Guests receive complimentary access to snorkel gear, kayaks, paddle boards, Hobie Cat, and water sports equipment. We recommend ten adults and six children to fill out the island. Children (under 12) stay and eat free. The island can accommodate up to 16 guests at a time.

Experience undersea adventures, culinary delights and private island lounging at Royal Belize.

## WHERE EVERY ROOM HAS A VIEW

## LUXURY ACCOMMODATIONS

Noshi Na (Big House), the largest house on the island, features three air-conditioned suites with uninhibited views of the Caribbean through panoramic windows. The bedrooms are furnished with king-sized beds, but we offer flexible sleeping arrangements in a variety of bed configurations to accommodate couples or families.

Tu-li-pan Na (Hibiscus House) is nestled among lush greenery and hibiscus bushes, and includes an air-conditioned master suite with sweeping ocean views. It is furnished with a king-sized bed and features a second outdoor bed for sunbathing and stargazing.

Ne-ne Na (Little House) is a romantic bungalow that sits on its own private beach, completely separated by water from the rest of the island and connected by bridge over a natural channel. The air-conditioned suite has a king-sized bed and its own over-the-water sun deck.

Kei-Ki Na (Bunkhouse) is the newest unit on Royal Belize. The Bunkhouse is cooled by air-conditioning and offers six twin beds. The detached bathroom offers two showers.

The Grand Palapa serves as your main dining room and lounge. It is the social center of the island.

## A PERSONALIZED ADVENTURE

Belize is so much more than beautiful beaches; Belize boasts the second largest barrier reef in the world, ancient Mayan ruins, jungles and wildlife reserves. There's no shortage of adventure options, but what you do is up to you! Spend your days relaxing or stay busy with beach games, wave runners, sea kayaks, snorkeling, and fishing.

Feeling extra adventurous? Book a private yacht charter from our partner, Deep Blue Charters, and enjoy a day on the water with unlimited fishing, snorkeling, diving and sun bathing. Go SCUBA diving or snorkeling along the reef. Visit our sister island, Thatch Caye, and spend Happy Hour at the overwater bar. Try your luck fly fishing or deep sea fishing. If you care to venture off of the island, your concierge can arrange a variety of activities including zip lining, waterfall hiking, helicopter tours, cave tubing and excursions to the Mayan ruins. You'll want to do it all!

# A TRUE DINING EXPERIENCE

## CATERING TO YOUR TASTE

Dining is a true experience at Royal Belize. From the moment you make a reservation, your concierge will begin planning your entire culinary experience. We will take note of all of your dietary needs and preferences to create the perfect menu for your vacation. Expect to be delighted and surprised - we hope you even try something new! Our culinary efforts are powered by premium local ingredients and island harvests which are prepared to suit your tastes and discerning palate.

Planning on going fishing? The chef will gladly turn your catch of the day into a delicious dinner. This is always a guest favorite.

Royal Belize is an all-inclusive private island who caters to your needs. There are no extra charges for meals, snacks or alcoholic and nonalcoholic beverages.

We always recommend dining in the Grand Palapa, but we're happy to serve you anywhere on the island. The staff can even set up a picnic on the beach! We take great pleasure in staging memorable dining experiences in a variety of settings around the island.
